Consejo General de Colegios de Ingeniería en Informática  
Fernando III O Santo 13 1ªA  
15701 Santiago de Compostela España

RE: LETTER OF INTENT

Dear Fernando:

MIT Professional Education is pleased to offer the following promotion of MIT Professional Education offerings to members of Consejo General de Colegios de Ingeniería Informática (CCII):

- 12 % discount for MIT Professional Education Online Courses for CCII members (purchase and enrollment processed through Global Alumni); and
- 15% discount for on-the-ground events (workshops, courses).

For each enrolled twenty (20) participants per course or event, CCII will receive one (1) complimentary seat for internal training purposes.

This promotion is made exclusively to members of CCII and shall not be transferrable or used by non-CCII members. Course enrollment coupons for MIT Professional Education Online Courses or seats for in person courses may not be resold or transferred to any other third party.

We look forward to welcoming members of CCII to the MIT Professional Education community.

Sincerely,

Bhaskar Pant  
Executive Director
